ABOUT US

Paws Up Pet Salon

954-900-6000 | pawsuppetlovers.com

Paws Up Pet Salon has been serving our community for 20+ years! We are a team of animal lovers who strive to give every animal that visits our salon special attention and care. Regular grooming is important for the health, comfort and look of your pet, and all we want is the best for your furry friend.

Not only do our stylists have years of experience handling animals, we also have a commitment to providing excellent work, using only top quality products in all of our services.

FETCH MY VET

1-855-5GETVET | FETCHMYVET.COM

Fetch My Vet, a group of veterinarians, pharmacists and other healthcare professionals, began with the idea that when a pet enters your home, they enter your heart. Our veterinarians come to you - to see your pet on their turf.

Combining cutting-edge technology with compassionate medicine, Fetch My Vet delivers care with more convenience for you, and more comfort for your pet.
